Success Stories of Global Engineers Begin Here

Renowned for its cutting-edge research and industry-aligned education, Chandigarh University shapes future innovators with a global outlook, offering programs accredited by ABET to meet the highest international standards. Here, aspiring engineers turn ambitions into reality—whether securing placements with top tech giants, driving transformative technologies as entrepreneurs, or advancing research to benefit humanity.

CU Engineering Edge

- ✓ India's First Private University with the Highest Number of ABET-Accredited Engineering Programs
 - ✓ Globally Benchmarked, Industry-Aligned Academic Model
 - ✓ Top-Tier Placement and Internship Opportunities with Global Tech Giants
 - ✓ Collaborations with 250+ Renowned Institutions in 60 Countries for International Research Opportunities in Emerging Areas
 - ✓ Experiential Learning Through Capstone Projects, Global Certifications, and Hackathons
 - ✓ 500+ Collaborations with Top-Ranked Universities Across 95 Countries for Study Overseas Opportunities
 - ✓ Valuable Insights from 980+ Industry Leaders from across the Globe
 - ✓ Technology Business Incubator to Ignite Startups with Seed Funding and Expert Mentorship
 - ✓ Global Exposure Through Articulation Programs and Participation in International Conferences, Symposiums, and Tech Fests
 - ✓ 15+ Industry-Collaborated Centres of Excellence Fueling Research and Innovation
 - ✓ A Thriving Multicultural Campus that Fosters Diversity, Creativity, and Innovation

A Future-Oriented Academic Model

to Address Emerging Challenges

Our engineering programs feature an innovative curriculum, offering a comprehensive blend of majors, minors, open electives, skill enhancement, and value-added courses that equip you with both foundational knowledge and specialised expertise.

Curriculum & Syllabus

- Interdisciplinary Curriculum
- Project-Based and Experiential Learning
- Emphasis on Technology Integration
- Open Electives
- Value-Based Education
- Focus on Research and Innovation
- Skill Development and Employability
- Internship/Training

Beyond the Classroom

- **Co-Curricular Activities:** Professional societies, industry visits, field trips, project exhibitions, technical clubs, hackathons, and professional development seminars.
- **Extracurricular Activities:** Environmental and sustainability initiatives, community service, MUNs, clubs, sports tournaments, cultural extravaganzas and more.

Value-Added Courses

- **Industry Certifications:** Get industry-ready by gaining essential practical skills and certifications.
- **Advanced Credit Program:** Earn three career-oriented certifications and earn advanced credits to fast-track your academic journey.
- **Coding Boot Camps:** Sharpen your coding skills and gain a well-rounded understanding of technical concepts.
- **MOOCs:** Access Massive Open Online Courses at LinkedIn Learning, Coursera, NPTEL, Swayam, UNESCO, and more.

- ✓ IBM Software Lab
- ✓ CISCO Networking Lab
- ✓ Hewlett Packard Enterprise-CU Lab
- ✓ KPIT Embedded Systems Lab
- ✓ ALTIUM PCB Design Lab
- ✓ Honda Research and Skill Development Centre

Kalpana Chawla Centre for Research

in Space Science and Technology

The Hon'ble Defense Minister of India, Shri Rajnath Singh, inaugurated the KCCRSST at Chandigarh University, a hub for space technology advancement through research, discovery, and education. The Centre offers satellite design and launch training to students from 21 countries and connects with 28 nations via the Satellite Networked Open Ground Station (SatNOGS).

Distinctive Features of the Ground Station

- ✓ Connect with SatNOGS networked ground stations worldwide
- ✓ Research on 3D-printed materials for future space exploration
- ✓ Thermal Study of Materials in Vacuum
- ✓ Stargazing Center
- ✓ Model Rocketry Lab
- ✓ Experimental studies on Compact Structures of satellites for LEO (Low Earth Orbit)
- ✓ Experimental Materials for Antennae and Deployment Methods
- ✓ Unmanned Aerial Vehicle Design

Industry-Driven Learning

for Engineers of Tomorrow

There are constraints in implementing things that come out of a discussion, but Chandigarh University is very serious about the implementation of inputs coming from industry.

GLOBAL ARTICULATION PROGRAMS

› INTERNATIONAL SUMMER/ WINTER PROGRAMS

Experience a global perspective through our 2-4 week International Summer/Winter Programs. Study abroad, engage with diverse cultures, and learn from world-class faculty, all while expanding your academic and personal horizons.

› PROJECT SEMESTER PROGRAMS

This program integrates academic study with valuable work experience. You can engage in a two-month study program with extended internships for 3-4 months.

› HIGHER EDUCATION PROGRAMS

This program offers an opportunity to pursue a master's degree, a certificate, or a diploma program in international universities for a wide range of courses.

› SEMESTER EXCHANGE PROGRAMS

Let your education transcend borders by dedicating a semester of your education at our partner universities worldwide.

› EXECUTIVE LEADERSHIP PROGRAMS

Elevate your business leadership skills and navigate your career path through today's global economy with this unique program.

› INTERNATIONAL INTERNSHIPS

Experience hands-on learning, professional growth, and cultural exploration as you work in prominent organizations worldwide.

Chandigarh University Common Entrance Test

For the Academic
Year 2025

Chandigarh University Common Entrance Test (CUCET) is a national-level, merit-based scholarship-cum-entrance exam that is mandatory for admission to Engineering, MBA, Pharmacy, MCA, LLM, and Integrated Law programs at Chandigarh University. CUCET also presents a significant opportunity for students across all programs to secure up to a 100% scholarship for their higher education.

Eligibility for Appearing in CUCET

For UG courses, a student who has scored 50% or more marks in their secondary Education (10+2) or student appearing for secondary education (10+2) from a recognized Board (CBSE/PSEB/ICSE or any other recognized State/National Board). For PG courses, a student who has scored 50% or more marks in their Graduation from a recognized University.

Phase-Wise Scholarship

Phase-I

Oct 2024 till May 2025

90.01 to 100 Marks
100% Scholarship

80 to 90 Marks
50% Scholarship

70 to 79.99 Marks
40% Scholarship

25% Scholarship

40 to 49.99 Marks
15% Scholarship

30 to 39.99 Marks
Eligible only for admissions

Phase-II

June 2025 till End of Admission

90.01 to 100 Marks
100% Scholarship

80 to 90 Marks
40% Scholarship

70 to 79.99 Marks
30% Scholarship

60 to 69.99 Marks
20% Scholarship

50 to 59.99 Marks
15% Scholarship

40 to 49.99 Marks
10% Scholarship

30 to 39.99 Marks
Eligible only for admissions

CUCET will be mandatory, except for those who secure 90% or more marks in their qualifying examinations, or those who achieve a rank up to 50,000 in JEE.

Scholarship Worth

₹170 Cr. (Punjab)

₹40 Cr. (Uttar Pradesh)

Students scoring
90.01% marks and above
will get **100% scholarship**.

*Applicable in both phases

For details, please visit :

<http://cucet.cuchd.in/>

Presenting

India's Next-Gen Futuristic University Uttar Pradesh

In an era propelled by the advent of artificial intelligence, Chandigarh University, Uttar Pradesh, has embraced an AI-augmented education model prioritizing customized learning pathways, data-driven insights, virtual reality experiences, and real-world simulations to prepare global visionaries.

ADMISSIONS
OPEN
2025-26

Experience the Future of Education

1 Progressive AI-driven Academic Framework

An innovative educational model that utilizes AI to adapt and enhance student learning experiences.

2 Smart Education Enabled by IoT Systems

A cutting-edge approach integrating IoT technology to create an interconnected and responsive educational environment.

3 AI-Powered Personalized Learning

Tailored educational pathways that leverage artificial intelligence to meet individual student needs and preferences.

4 Innovative Research-Centric Pathways

Programs designed to engage students in hands-on research, fostering creativity and critical thinking.

5 Immersive Learning Featuring Virtual Reality and Simulation Labs

Utilizing VR and simulation tools to provide engaging, experiential opportunities that emulate real-world scenarios.

6 Sustainable Campus with Green Infrastructure and Eco-Friendly Practices

A commitment to eco-friendly practices through sustainable architecture and resource management on campus.

7 Zero-Touch Deployment for Seamless Connectivity and Hassle-Free Workflows

Effortless implementation of technology that ensures smooth workflows and access to educational resources.

**CHANDIGARH
UNIVERSITY**

Discover. Learn. Empower.

School of Engineering

The School of Engineering at Chandigarh University, Uttar Pradesh, leads in innovative engineering education. With doctoral faculty, state-of-the-art facilities, and industry partnerships, it blends cutting-edge research with practical learning. Students master disciplines like Mechanical, Civil, Electrical, and Electronics & Communication Engineering, equipping themselves to drive future innovations.

School of Computer Science and Engineering

The School of Computer Science and Engineering is a beacon of innovation, where creativity and technology converge. The faculty, a combination of academic pioneers and industry stalwarts, fosters a dynamic learning environment that inspires exploration and discovery. With cutting-edge facilities and a hands-on approach to learning, students in the Computer Science and Engineering program are empowered to push the boundaries of technology.

Key Features

- **Smart Simulation Tools for Engineering Design**
Advanced simulation tools to design, test, and optimise engineering solutions in a virtual environment
- **Course Content Customisation**
Tailored academics and course content with skill-building exercises, modules and MOOCs
- **AI-Driven Cross-Disciplinary Research Projects**
Opportunity to pursue international research initiatives in emerging engineering domains
- **Collaborative Sustainability Projects with Industry Partners**
Real-world projects addressing critical challenges in sustainability and green energy
- **Industry Immersion Program**
Exposure to industry practices and trends with capstone projects, internships, and mentorships
- **Entrepreneurship and Innovation**
Incubation facilities, seed funding, IPR support, and industry mentorship to fulfill startup dreams
